## **Her Highness Sheikha Mouza al-Misnad – apology**

In "The arrogant eagle that won't pull in its wings" (Business, 3 May), we incorrectly suggested that Sheikha Mouza Bint Nasser al-Misnad is the name of Sheikh Hamad bin Jassim bin Jaber al-Thani's wife (he is the head of Qatar Holding), and that she had met Dijana Jenkins (wife of Roger Jenkins of Barclays Bank). In fact, Sheikha Mouza Bint Nasser al-Misnad is married to Sheikh Hamad bin Khalifa al-Thani, the Emir of Qatar, has never met Dijana Jenkins and was not involved in the events described in the story. We apologise for the error.
